This information is intended only for the *RESIDENTIAL* electrical permit application. Please refer to the *COMMERCIAL* electrical permit application for commercial electrical information.

## THE APPLICATION

The following residential electrical permit application must be completed in its entirety to be considered.

Any application not fully completed with the other required accompanying documents will not be reviewed and a new application and accompanying documents will need to be resubmitted.

\*Electronic submissions are preferred, but not required. If you are turning in this application electronically, only PDF submissions will be considered.\* Electronic submissions can be emailed to the Code Enforcement Department.

Please complete the **SITE INFORMATION SECTION** in its entirety. It is important for us to have this information to make the reviewing process go smoothly.

Next, provide all the required information in the **ELECTRICIAN INFORMATION SECTION**. If the electrician for the job will be the same as the property owner, just write "SAME AS ABOVE" on the Electrician line in the electrician information section. It is extremely important that the PA Registration Number for the Electrician is provided. Additionally, we require a copy of the **ELECTRICIAN'S INSURANCE FOR WORKERS COMPENSATION OR A SIGNED EXEMPTION FORM**.

The **TYPE OF WORK SECTION** and **DESCRIPTION OF WORK SECTION** is where we learn more about the proposed project. Please include all the required information so we can review the application more efficiently. Be sure that the project description is as detailed as possible. If the description cannot fit into the provided section, feel free to attach an additional paper with the description.

## REVIEW, FEE, AND PICK-UP

Often, the review process for electrical permits gets held up when not enough information is presented, or the application is incomplete. To speed up the review process, please ensure all necessary information is detailed and all necessary documents are provided. **NO PAYMENT IS REQUIRED UNTIL THE PERMIT HAS BEEN ISSUED**. When the application is approved and ready for pick-up, someone from our office will call you and inform you of the fee at that time. Note that fees vary based on the project type and scope.

Please keep a copy of all submitted documents for your records.

**\*NO WORK IS TO BEGIN PRIOR TO THE PAYMENT AND PICK-UP OF THE PERMIT. IF ANY WORK IS STARTED PRIOR TO THE PAYMENT AND PICK-UP, YOU ARE IN VIOLATION AND SUBJECT TO FINES AND OTHER LEGAL ACTIONS.\***
