

ZONING CERTIFICATE APPLICATION

PLEASE VIEW THE FOLLOWING INFORMATION PRIOR TO TURNING IN AN APPLICATION

THE PURPOSE

The following information will serve as a guide to make understanding and completing the Zoning Certificate Application easier. A Zoning Certificate Application is required by Elizabeth Township when residents *alter a property* or *change the use of a property*. **All additions, expansions, and/or new structures* require a zoning certificate.** This zoning review ensures that any *alteration or change in use* complies with the *Elizabeth Township Zoning Ordinances* and all work meets building safety standards. Please visit <https://ecode360.com/34143329> to view the code related to Zoning Applications.

*STRUCTURE DEFINITION – Any man-made object having an ascertainable stationary location on or in land or water whether or not affixed to the land.

THE APPLICATION

The following zoning certificate application must be completed in its entirety to be considered.

Any application that is not fully completed including all required accompanying documents will not be reviewed and a new application and accompanying documents will need to be resubmitted.

*Electronic submissions are preferred, but not required. If you are turning in this application electronically, only **PDF** submissions will be considered. Electronic submittals can be emailed to the Elizabeth Township Code Enforcement Department.*

Please complete the **SITE INFORMATION SECTION** in its entirety. It is important for us to have this information to make the review process run smoothly.

Next, check all that applies to your project in the **TYPE OF WORK SECTION**. In the **DESCRIPTION OF WORK SECTION**, we learn more about the proposed project. Please include all required information so we can review the application efficiently. Be sure that the project description is as detailed as possible. If the description cannot fit into the provided section, feel free to attach an additional paper with the description. **Note that some projects will also require a building permit along with the zoning permit.* Any structure that is under 750 square feet does *NOT* require a building permit. Any structure over 750 square feet *DOES* require a building permit.

Common items that require a zoning certificate are listed below. This is not a comprehensive list of ALL items that require a zoning certificate. If your project is not on this list, it doesn't necessarily mean that a zoning certificate is not required. It is best practice to reach out to the Elizabeth Township Code Enforcement Department prior to starting projects to ensure you are complying with all local codes and ordinances.

Fences, Sheds, Driveway, Accessory Structures, Patios, Porches, Decks, Steps, Playsets, Pergolas, Gazebos,
Carports, Wheelchair Ramps, Walls, Satellite Disks, Private Sports Courts, Canopies and Similar Structures,
Storage Structure, Garage, Swimming Pools, Hot Tubs, Parking Lot, Signs, Greenhouses, Antennas

A detailed site plan is also required. The plan must include all pre-existing structures with dimensions, the new proposed structure(s) with dimensions, and the distance from the new proposed structure(s) to the property lines and existing structures. A good place to start is by visiting the Allegheny County Real Estate Portal Site and using the map for your parcel to create your site plan.

<http://www2.alleghenycounty.us/RealEstate/search.aspx>. However, as helpful as the Allegheny Real Estate Portal Site may be, the property lines are not always 100% accurate. **Due to this, the Zoning Officer at his or her discretion may require a survey to be completed by a Licensed Survey Professional for the site plan.**

REVIEW, FEE, AND PICK-UP

Often, the review process for zoning permits gets delayed when not enough information is submitted, or the application is incomplete. To accelerate the review process, please ensure all information is detailed and all documentation is provided. **NO PAYMENT IS REQUIRED UNTIL THE PERMIT HAS BEEN ISSUED.** When the permit is approved and ready for pick-up, you will receive a call from our office and be told the associated fee. Note that fees vary based on the project type and scope.

Please keep a copy of all submitted documents for your records.

NO WORK IS TO BEGIN PRIOR TO THE PAYMENT AND PICK-UP OF THE PERMIT. IF ANY WORK IS STARTED PRIOR TO THE PAYMENT AND PICK-UP, YOU ARE IN VIOLATION AND SUBJECT TO FINES AND OTHER LEGAL ACTIONS.
